

Remote Consulting Project in Renewable Energy Finance

Augusta & Co welcomes applications to its 2018 sector research consulting program

Two to three months remote sector research consulting program is available immediately and throughout the year:

- Remote sector research service supporting a new business development

Augusta & Co is Europe's leading specialist financial advisor for renewable energy

Founded in 2002, Augusta & Co has established itself as the leading financial advisor to utility-scale renewable energy developers and investors in Europe. Over the last 16 years we have been at the forefront of pioneering transactions in the renewable energy sector across offshore and onshore wind, solar, storage, hydro, and waste to energy, and have raised over €8 billion across 80+ successfully completed transactions. Our services include sell-side mergers and acquisitions, capital raising, capital structure optimisation and strategic advisory work.

Typical candidates will demonstrate the following credentials

- Professional experience: A previous internship in banking, consulting or renewable energy or other transaction services is desirable
- Languages: Fluency in English and ideally another European language
- Education: Top results from a leading university, ideally in science, economics or finance
- Sector interest: Knowledge and understanding of the renewable energy sector
- Independence: Ability to work under pressure in a non-hierarchical environment
- Maturity: Ability to deal with senior industry counterparties
- Initiative: High level of drive

Role description

Candidates will be responsible for discrete, independent sector research:

- Detailed sector analysis using a strategic market analysis framework
- Detailed value chain analysis
- Independent and remote work supervised and supported by a senior banker
- Delivery of final report within 2-3 months' timeframe
- Final report presentation at Augusta & Co office including Q&A session
- Appropriate compensation for the project

How to apply

Interested candidates should send their applications in the form of a cover letter and CV to: info@augustaco.com. Due to the high volume of applications we receive, unfortunately we are only able to contact applicants taken to the interview stage.

Please note, Augusta & Co will not be able to reimburse travel expenses for the first interview and this is a paid consulting role, not full or part time employment.
