

Internship Opportunity in Renewable Energy Finance

Augusta & Co welcomes applications for its 2019/2020 internship programme

Three-month internships are usually available throughout the year.

We are especially looking for candidates in the following time frames:

- September to December 2019
- January to April 2020

Augusta & Co is Europe's leading specialist financial adviser for renewable energy

Founded in 2002, Augusta & Co has established itself as the leading financial adviser to utility-scale renewable energy developers and investors in Europe. Over the last 17 years we have been at the forefront of pioneering transactions in the renewable energy sector across offshore and onshore wind, solar, storage, hydro, and waste to energy, and have advised on and/or raised over €10.6 billion across 91+ successfully completed transactions. Our services primarily include sell-side mergers and acquisitions, capital raising, capital structure optimisation and strategic advisory work.

Typical candidates will demonstrate the following credentials

- Professional experience: A previous internship in investment banking, consulting, renewable energy or other transaction services is desirable
- Education: Top results from a leading university, ideally in finance, economics or science
- Sector interest: Knowledge and understanding of the renewable energy sector
- Motivated: Ability to work under pressure in a collaborative environment
- Maturity: Ability to deal with senior industry counterparties
- Enterprising: High level of initiative
- Skills: Demonstrable proficiency in Microsoft Excel and PowerPoint
- Languages: Fluency in English and ideally another European language

Role description

Interns will be responsible for discrete, value-add packages of work, with clear deliverables over the timeframe of their internship, including:

- Support junior and senior bankers on live transactions and pitches
- Prepare presentations and other materials for clients
- In-depth company/sector research and data analysis
- Trading and transaction comparables

Application process

Interested candidates should send their applications in the form of a cover letter and CV (please indicate your availability and your preferred timing for the internship) to: info@augustaco.com

Due to the high volume of applications we receive, unfortunately we are only able to contact applicants taken to the interview stage. Please note that Augusta & Co will not be able to reimburse travel expenses related to the interview process.
